

Employee Onboarding Guide

Welcome to the company! Here is a quick overview of the onboarding process:

1. Complete your HR paperwork within your first day.
2. Attend the orientation session in Week 1.
3. Meet your team and get introduced to your mentor.
4. Complete all mandatory training modules within 30 days.
5. Schedule a 1-on-1 with your manager at the end of the first month.

Onboarding is an important step to ensure you feel welcomed, prepared, and supported in your new role. Here are some key components:

- **Company Culture**: Take time to explore our company values, mission, and goals, which are available on our intranet.
- **Communication Tools**: Familiarize yourself with the communication platforms we use, such as Slack and Microsoft Teams.
- **IT Setup**: Make sure to set up your computer, email, and software tools with the help of the IT department.
- **Buddy Program**: Your mentor will be your go-to person for any questions and guidance during your first month.
- **Feedback Sessions**: Participate actively in feedback sessions to help improve your onboarding experience.
- **Health and Safety**: Review our workplace safety guidelines to maintain a secure environment for everyone.
- **Employee Benefits**: Understand your benefits package and enrollment deadlines, available through HR.

If you have any questions or need support, please reach out to hr@company.com or your assigned mentor.

We're excited to have you on board and look forward to your contributions to the team!
